Top 10 Frequently Asked Questions

1. Where will you be traveling from?

I am based in Indianapolis Indiana.

2. What type of shows do you do?

I offer a standup family-friendly interactive comedy magic show that is full of audience participation for kids, adults, and grandparents. The show is suitable for both stage and ground-level performances under a pavilion. When performing multiple shows in a single day, I make sure to mix up the content so that audiences can come back and see a new performance each time. My show is designed to entertain and engage all ages, making it a perfect choice for fairs and festivals.

3. How long are your shows?

My shows typically last between 30-45 minutes. If we are performing multiple shows on rotation, such as at a family stage, the shows will usually be 30 minutes long. If you need something longer for a grandstand or big evening show, we can adjust the length of the show to up to 45 minutes. Please let us know what your specific needs are and we customize the show for you.

4. Do you do strolling/walk around magic?

Yes, I do offer strolling/walk around magic. I book at a day rate, so you can mix and match entertainment styles to suit your needs. Strolling magic involves walking around the fairgrounds and performing close-up magic for smaller groups of people. I carry a portable table and a portable body-worn sound system, so I am able to move around easily. The tricks I do while strolling are different from the ones I perform in my stage show, so audiences can enjoy a variety of magic throughout the day.

5. Do you work the main stage with bands?

Yes, I am able to work with bands and perform on the main stage. My stage show takes up very little space and can be easily set up around the band's equipment. My sound check is usually only 5 minutes, and I can quickly clear the stage after my show, leaving plenty of time for the next act to set up. This makes me a great choice for an opener for any band.

6. How many shows a day can you do?

I am able to perform 2-4 events a day, depending on the length and type of events. For example, I might do a 30-minute show in the early afternoon, followed by a couple of hours of strolling magic, and then an evening program. I am flexible and able to adapt to different schedules, so if you have specific needs for your event, please let me know and I will do my best to accommodate them. I am also happy to help schedule time for media interviews and other promotional activities to boost attendance at your fair or festival

7. What size space and equipment do you need?

I have a powerful sound system that is suitable for family stages and ground shows. If I am performing on the grandstand, I will use the sound system that is already in place. All I need is a wireless microphone and do not require any special lighting. I can set up in any size space, but a stage or riser is preferred as it will give the best visibility for the audience.

8. Do you charge travel/lodging?

Free mileage travel is available for events in Indiana. If you provide a hotel room for entertainers, we would be happy to use that accommodation. If a hotel room is not provided, we charge a flat rate of \$150 per night for overnight stays. If you are booking us for a single day and the event is more than 3 hours away, an overnight charge will be added to the fee.

10. What is your rate breakdown?

The day rate breakdown is:

Day rate \$1500 per day

Overnight \$150 per night

Festival Single Show - \$950 (mileage charged over 60 miles on single show bookings)

REMEMBER - Here at Lusk Entertainment Group we also have Foam Parties, Face Painters, Balloon Artist, Caricature Artist, and more. We can help fill your schedule with other activities and events. Please let us know if you are interested in a custom quote with additional services.
